

# Introduction — Scholarships at Government Degree College Nohradhar

At **Government Degree College Nohradhar**, we are committed to supporting our students' academic ambitions and reducing financial barriers to higher education. Under the guidance of **Assistant Professor Kartik Thakur**, the Convener of our Scholarship Committee, the college actively facilitates student access to a wide range of financial aid opportunities offered by both the **Government of India** and the **Himachal Pradesh Government**. These scholarship schemes are aimed at promoting equity, encouraging merit, and assisting students from economically weaker sections, socially disadvantaged communities, and other eligible categories.

Our students are encouraged to apply for central and state government scholarship programmes through the **National Scholarship Portal (NSP)** and related state platforms, ensuring a transparent and streamlined application process. The college's scholarship support mechanism ensures that deserving students receive timely guidance, assistance in form-filling, and help with documentation to maximise their chances of receiving financial support.

- **Merit-cum-Means Scholarship** for minority students to pursue higher education with financial support.

## Himachal Pradesh State Government Scholarships
