

College Students Central Association (CSCA)

The CSCA of Government Degree College Nohradhar was constituted on 29th October 2025 through a merit-based selection process. The formation reflected the institution's commitment to recognizing academic excellence, discipline, and leadership qualities among students. The process was conducted in a transparent and impartial manner, ensuring fairness and credibility. The newly constituted CSCA body represents the aspirations, responsibility, and collective voice of the student community. The event was graciously presided over by *Prof. Sangeeta Jhagat*, whose presence inspired the students. The administration extended full support to ensure the smooth completion of the proceedings. This milestone highlights the college's emphasis on merit, integrity, and student empowerment. The CSCA members pledged to work actively for student welfare, academic enrichment, and co-curricular development.
